

Give Through Your Donor-Advised Fund (DAF)

Creating opportunities for women and children.

Thoughtful Giving, Aligned with Long-Term Change

Many donors choose Donor-Advised Funds because they value intentional, long-term philanthropy. At the GO Fund, **our work is rooted in sustainable programs that grow over time**, making DAFs a natural fit for supporters who want their giving to reflect both their values and their long-term vision.

If legacy, impact, and thoughtful engagement matter to you, we welcome conversations with donors who see philanthropy as a partnership.

Why Give Through a DAF

<p><u>Create a lasting legacy</u> that supports women and children for generations</p>	<p><u>Plan for long-term impact</u> by recommending grants over time</p>
<p><u>Align giving with your values</u> and engage your family in philanthropy</p>	<p><u>Give strategically</u> while receiving immediate tax benefits</p>
